3 months or less		30,000	300

GENERAL NOTES

This does not include bottled water. We treat our tap water, which you can have but if you want bottled water you may need to buy some.

Includes accommodation in a tent, possibly shared if we are short on space.

Bringing your own tent is also an option.

Bring your own helmet if you will be doing any field work on a motorbike.

Relying on our cars is probably not wise, but we can try to accommodate your needs into our overall field work plan if possible.

The price above also does not include toiletries or drinks other than water, tea and coffee.
